Storyboard: UNESCO Heritage Insights

Dashboards Included:

- Dashboard 1: UNESCO World Heritage Site Overview
- Dashboard 2: UNESCO Danger Sites Overview

Purpose:

To present a guided analytical story:

1. Start with overall distribution of UNESCO sites.
2. Drill down into regions and categories.
3. Explore danger sites and historical trends.

Benefits:

- Combines insights from both dashboards.
- Allows users to navigate and understand the data story step by step.
